BEAST'S PRIVATES REMOVED & ICED TO SIRE PRIZED CALVES

By CHRISTINE LAVELLE

A FARMER hopes to cash in on his dead bull's balls — after the beast's prized semen was extracted when they were removed. Linton Gilbertines Rocco has sired two calves from beyond the grave since his bits were kept on ice before his death. Owner John Elliot, 36, from Kelso, Roxburghshire, said: "I am thrilled."
